Lana Kerr
28 Gables Blvd.
Weston, Fl. 33326

Dear Lana,

I am writing to express our satisfaction in working with you to reduce our electricity bills at FMS, Management, IHOP Restaurants. Our studies showed that we received over your guaranteed 10% reduction in kWh and are very pleased with not only the Circuit Rider System, but with the outstanding customer service we received.

We are looking forward to installing the Circuit Rider System in our other stores.

Thank you.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael Palanza".

Michael Palanza
