Un Concepto Global
para Selección y Empacado de Frutas y Legumbres

The advertisement features a central graphic of a globe with a grid of latitude and longitude lines. Inside the globe, several pieces of fruit are visible: a red apple, a yellow apple, a red tomato, and an orange. The globe is set against a background of a light purple gradient at the top, transitioning to a green gradient at the bottom. The bottom half of the background is decorated with a pattern of green dots of varying sizes. The text is in bold, sans-serif fonts, with the company name and slogan in green and orange, and the main headline in orange and green.

The International Company of MAF Industries, Inc., has reported a reduction of kWh's of

13.8%!

They have been very happy with the results and look forward to adding more units as they are expanding their current manufacturing capacity.
